

Oralx Corporation

Safety Data Sheet

Revision Date: 11/22/2017

Print Date: 11/22/2017

1. Product and Company Identification

Product Name	ELECTRO-PLEX – ORAL SUPPLEMENT FOR HORSES
Product Number	UPC 0 76110 78907 4
Brand	ORALX
Company	ORALX CORPORATION
Telephone	801-731-4050
Fax	801-731-4111
Emergency Phone	801-731-4050

2. Hazard(s) Identification

Emergency Overview

OSHA Hazards

No known OSHA hazards.

GHS Classification

None

GHS Label elements, including precautionary statements

Pictogram	None
Signal word	None
Hazard statement(s)	None
Precautionary statement(s)	None

HMIS Classification

Health hazard	0
Flammability	0
Physical hazards	0

NFPA Rating

Health hazard	0
Fire	0
Reactivity hazard	0

Potential Health Effects

Inhalation	Not available
Skin	Not available
Eyes	Not available

Oralx Corporation

Ingestion

Not available

3. Composition/information on ingredients

No ingredients are hazardous according to OSHA criteria.

4. First-aid measures

General advice

Consult a physician. Show this safety data sheet to the doctor in attendance.

If inhaled

If breathed in, move person into fresh air. If not breathing, give artificial respiration. Consult a physician.

In case of skin contact

Wash off with soap and plenty of water. Consult a physician.

In case of eye contact

Flush eyes with water as a precaution.

If swallowed

Never give anything to an unconscious person. Rinse mouth with water. Consult a physician.

5. Fire-fighting measures

Suitable extinguishing media

Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.

Special protective equipment for firefighters

Wear self-contained breathing apparatus for fire-fighting if necessary.

Hazardous combustion products

None

6. Accidental release measures

Personal precautions

Wash skin with soap and water.

Environmental precautions

Keep in sealed container.

Methods and materials for containment and cleaning up

Pick up and arrange disposal. Clean spills with cloth. Keep in suitable, closed containers for disposal.

Oralx Corporation

7. Handling and storage

Precautions for safe handling

Keep in sealed container when not in use.

Conditions for safe storage

Keep container tightly closed in a dry area. Store below 86 °F.

8. Exposure controls/personal protection

Contains no substances with occupational exposure limit values.

Personal protective equipment

Respiratory protection

Respiratory protection is not required.

Hand protection

Hand protection is not required. Wash with soap and water after handling.

Eye protection

Eye protection is not required.

Skin and body protection

Skin and body protection is not required. Wash with soap and water after handling.

Hygiene measures

Handle in accordance with good industrial hygiene and safety measures.

9. Physical and chemical properties

Appearance

Form LIQUID/PASTE

Color ORANGE

Safety data

pH No data available

Melting point (°C) No data available

Boiling point (°C) No data available

Flash point (°F) No data available

Ignition temperature No data available

Autoignition temperature No data available

Lower explosion limit No data available

Oralx Corporation

Upper explosion limit	No data available
Vapour pressure (mm Hg @20 °C)	No data available
Density @25 °C	No data available
Water solubility	Not soluble
Relative vapor density	No data available
Odor	CHARACTERISTIC
Odour Threshold	No data available
Evaporation rate	No data available

10. Stability and reactivity

Chemical stability

Stable under recommended storage conditions.

Possibility of hazardous reactions

No data available

Conditions to avoid

No data available

Materials to avoid

No data available

Hazardous decomposition products

None

11. Toxicological Information

Skin corrosion/irritation

No data available

Serious eye damage/eye irritation

No data available

Respiratory or skin sensitization

No data available

Germ cell mutagenicity

No data available

Oralx Corporation

Carcinogenicity

IARC: No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.

ACGIH: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.

NTP: No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.

OSHA: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.

Reproductive toxicity

No data available

Teratogenicity

No data available

Specific target organ toxicity - single exposure (Globally Harmonized System)

No data available

Specific target organ toxicity - repeated exposure (Globally Harmonized System)

No data available

Aspiration hazard

No data available

12. Ecological Information

Toxicity

No data available

Persistence and degradability

No data available

Bio-accumulative potential

No data available

Mobility in soil

No data available

Oralx Corporation

PBT and vPvB assessment

No data available

Other adverse effects

No data available

13. Disposal Considerations

Product

Dispose of unused product

Packaging

Dispose or recycle packaging

14. Transport information

DOT (US)

Not dangerous goods

IMDG

Not dangerous goods

IATA

Not dangerous goods

15. Regulatory information

OSHA Hazards

No known OSHA hazards

16. Other categories

Safety Data Sheet prepared by: Oralx Corporation

The information in this SDS was obtained from current and reliable sources. However, the data is provided without any warranty, expressed or implied, regarding its correctness or accuracy. Since the conditions for use, handling, storage and disposal of this product are beyond Oralx Corporation's control, it is the responsibility of the user both to determine safe conditions for use of this product and to assume liability for loss, damage, or expense arising out of the products improper use. No warranty expressed or implied regarding the product described herein will be

Oralx Corporation

created by or inferred from any statement or omission in the SDS. Various federal, state, or provincial agencies may have specific regulations concerning the transportation, handling, storage, use, or disposal of this product which may not be reflected in the SDS. The user should review these regulations to ensure full compliance.
