

Section 1: Identification

Product Identifier

Product Name: 3-in-1 Head to Toe Nourishing Cleanser – Original Fresh Scent

Other means of identification: None

Recommended Use: Personal Beauty Care Product

Uses advised against: No information Available

Manufacturer Name Sigan America, LLC
Manufacturer Address 1111 W. McKinley Road
Ottawa, Illinois 61350
USA

Manufacturer Contact Phone: (815) 431-9830 EX-26

Emergency Phone Number: In case of medical emergencies, please contact your local poison control center.

Section 2: Hazard(s) Identification

Hazard Classification

Skin Irritation – Category 2

GHS label elements, including precautionary statements

Signal Word..... Warning

Hazard Statement(s)

H315 Causes skin irritation

Hazard pictograms:

General Precautionary Statements

If medical advice is needed, have product container or label at hand.
Keep out of reach of children.
Read label before use.

Precautionary Statements - Prevention

Wash hands thoroughly after handling.
Wear protective gloves.

Precautionary Statements - Response

IF ON SKIN: Wash with plenty of water.
If skin irritation occurs: Seek medical attention.
Take off contaminated clothing and wash it before reuse.

Precautionary Statements – Storage

None

Precautionary Statements – Disposal

Not applicable

Hazards not otherwise classified (HNOC) or not covered by GHS

None

Unknown Toxicity

<1% of the mixture consists of ingredient(s) of unknown acute toxicity.

Interaction with Other Chemicals

No information available.

Section 3: Composition/Information on Ingredients

This product contains the following ingredients that are considered to be hazardous as defined by OSHA, 29 CFR1910.1200

Hazardous Ingredients

Ingredient (INCI name)	CAS #	% Percent
Cocamidopropyl Betaine	61789-40-0	1-10
Sodium Cocoyl Isethionate	61789-32-0	1-10
Glyceryl Stearate	31566-31-1	1-5
Phenoxyethanol	122-99-6	< 1
Ethylhexylglycerin	70445-33-9	< 1
Citric Acid	77-92-9	< 1

The specific chemical identity and/or exact percentage (concentration) of composition has been withheld as a trade secret.

Section 4: First-Aid Measures

Description of first aid measures

- Inhalation:** No specification treatment necessary. Remove individual to fresh air and contact physician if symptoms develop or persist.
- Skin Contact:** If irritation occurs, discontinue use. Wash area with soap and water.
- Eye Contact:** Immediately flush eyes with water for 15-20 minutes. If discomfort or irritation persists, seek medical attention.
- Ingestion:** Do not induce vomiting. If patient is conscious, give 2 glasses of water or milk. Contact a Physician or Poison Control Center immediately.

Most important symptoms and effects, both acute and delayed

Refer to Section 11 - Toxicological Information.

Indication of any immediate medical attention and special treatment needed

- Note to Physician:** All treatment should be based on observed signs and symptoms of distress in the patient. Consideration should be given to the possibility that overexposure to materials other than this product may have occurred.

Section 5: Fire-Fighting Measures

Extinguishing Media

- Suitable Extinguishing Media:** Regular Foam, Carbon dioxide, Dry Chemical, Water
- Unsuitable Extinguishing Media:** No data available.

Special Hazards arising from the substance or mixture

- Unusual Fire and Explosion hazards:** No data available.
- Hazardous Combustion Products:** No data available.

Firefighters Recommendations

- Special Protective Equipment:** As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

Section 6: Accidental Release Measures

Personal Precautions:

Under extreme conditions, wear personal protective equipment to reduce eye and skin contact.

Emergency Procedure:

Under extreme conditions, isolate spill or leak area and keep unauthorized personnel away.

Environmental Precautions:

Refer to protective measures listed in Sections 7 and 8.
Under extreme conditions, avoid run off to waterways and sewers.

Methods and material for containment and clean up:

Under normal conditions, cleanup spill with absorbent material, wash with soap and water.
Under extreme conditions, contain the spill, use absorbent materials such as vermiculite, cat litter, or spill pillows. Dispose of into an appropriate container.

Section 7: Handling and Storage

Precautions for safe handling

Handling:..... Keep container closed when not in use. Avoid contact with eyes.

Conditions for safe storage, including any incompatibilities

Storage: Keep containers tightly closed in a dry, cool and well-ventilated place. Keep out of reach of small children.

Incompatibilities:..... None known based on information supplied.

Section 8: Exposure Control/Personal Protection

Control parameters:

Exposure Guidelines: Exposure guidelines are not relevant when product is used as intended in a household setting.

Engineering Measure: Provide adequate local exhaust ventilation, eyewash stations and showers.

Personal protection equipment (PPE)

Eye/Face Protection: **Manufacturing site:**
Wear safety glasses with side shields (or goggles).
Distribution, Workplace and Household Settings:
No special protective equipment required

Hand Protection:..... Wear protective gloves

Skin/Body Protection:..... No special protective equipment required

Respiratory Protection:..... No special protective equipment required

Hygienic Measures:..... Handle in accordance with good industrial hygiene and safety practice.

Section 9: Physical and Chemical Properties

Appearance (Physical State, Color): White pearlescent, viscous liquid

Odor: Castile

Odor Threshold: No data available

pH @ 25°C: 5.50 – 6.50

Viscosity (cPs @ 25°C): 15,000 – 25,000
Relative Density at 25°C: 1.000 – 1.050
VOC Percentage (%):.....No data available
Solubility:.....Water Dispersible
Flash Point:No data available
Vapor Density:No data available
Melting Point/Freezing Point:No data available
Boiling Point and Boiling Range:No data available
Evaporation Rate:No data available
Flammability (Solid, Gas):No data available
Upper/Lower Flammability or Explosive Limits:No data available
Vapor Pressure:No data available
Partition Coefficient: n-Octanol/Water.....No data available
Auto-Ignition Temperature:No data available
Decomposition Temperature:.....No data available

Section 10: Stability and Reactivity

Reactivity:..... None under normal use conditions.
Chemical Stability: Stable under normal temperatures and pressures.
Possibility of Hazardous Reactions:..... No data available.
Hazardous Polymerization: Hazardous polymerization does not occur.
Conditions to Avoid: Open flames and extreme temperatures
Incompatible Materials: No data available.
Hazardous Decomposition Products:..... None known.

Section 11: Toxicological Information

Information on likely routes of exposure

Inhalation: No known effect.
Skin contact: May cause skin irritation.
Ingestion: No known effect.

Eye contact:	No known effect.
-Acute Exposure-	
Oral Toxicity:	>5,000 mg/kg (ATE)
Dermal Toxicity:	>5,000 mg/kg (ATE)
Inhalation Toxicity:	No data available to indicate product to be a toxic inhalation hazard.
Skin Corrosion/Irritation:	May cause skin irritation. According to the data on the components. According to the classification criteria for mixtures.
Serious Eye Damage/Irritation:	Not classified as irritating to eyes. According to the data on the components. According to the classification criteria for mixtures.
Dermal Sensitization:	Not expected to cause skin sensitization. According to the data on the components. According to the classification criteria for mixtures.
Inhalation Sensitization:	No data available to indicate product to be respiratory sensitizer.
Respiratory Irritation:	No data Available to indicate product to be respiratory irritation.
Aspiration Toxicity:	No data Available to indicate product to be an aspiration hazard.
STOT Single Exposure:	No data Available to indicate product or components present greater than 1.0% that may cause specific organ damage.
-Chronic Exposure-	
Chronic Toxicity:	No data Available to indicate product or components present at greater than 1.0% are chronic health hazards.
Carcinogenicity:	No components of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by (OSHA, IARC, or NTP).
Mutagenicity:	No data Available to indicate product or components present at greater than 0.1% are mutagenic or genotoxic.
Reproductive:	No data Available to indicate product or components present at greater than 0.1% that may cause reproductive toxicity.

Teratogenicity: No data Available to indicate product or components present at greater than 0.1% may cause birth defects.

STOT Repeated Exposure: No data Available to indicate product or components present at greater than 1.0% that may cause specific organ damage.

Section 12: Ecological Information

Toxicity: Material data lacking.

Persistence and Degradability: This product contains ingredient(s) that are not readily biodegradable.

Bioaccumulative Potential: Material data lacking.

Mobility in Soil: Material data lacking.

Other Adverse Effects: No studies have been found.

Section 13: Disposal Considerations

Waste Treatment Methods

Product Waste:

- Dispose of content accordance with local, regional, national, and/or international regulations.

Packaging Waste:

- Dispose of container accordance with local, regional, national, and/or international regulations.

Section 14: Transport Information

DOT Not regulated

IMDG Not regulated

IATA Not regulated

Section 15: Regulatory Information

U.S. Federal Regulations

Toxic Substances Control Act (TSCA):

All substances are listed, or exempt from the TSCA inventory.

Food and Drug Administration (FDA)

The product described in this Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable)

SARA 313

Not applicable for consumer use.

CERCLA

Not applicable for consumer use.

California Proposition 65: No California Prop 65 chemical(s) are known to be present at or above the no significant risk level.

Canadian Environmental Protection Act.....

All substances are listed, or exempt from the Canadian DSL/NDSL list.

Section 16: other Information

The information herein presented makes no representation or warranties and is based on ingredients SDS and/or recognized technical sources. This information is believed to be accurate and it is intended solely to assist in evaluating the suitability and proper use of this product following the safety precautions and procedures. Final determination as to its suitability for health and safety purposes is the sole responsibility of the user. This information applies only to the product designated above and does not apply to its use in combination with any other materials, products or chemical compounds.
